1913-1916

Feb. 17, 1913.

Dear Sir:-

With a feeling of no little satisfaction, the announcement is made that I have succeeded to the sole ownership of the business that has been conducted heretofore under the firm name of Fred Michael & Brother, Chicago.

The management of the business will receive my careful and undivided attention and with the experience that has been gained through my identity with the business since its organization, customers may expect the utmost consideration in all transactions.

The features of the stamp and coin departments will be better maintained than ever before and with enterprising methods and with stock greatly increased from sources out of the ordinary, I shall confidently await the pleasure of old patrons and invite the custom of new ones.

Out-of-town collectors are especially welcome as callers.

EDWARD MICHAEL,

Dear Sir:-

In reply to your letter of the 13th inst. relative to auction sale catalogues, I regret to state, that I have no spare copy of Sale No. 2. In fact, I have none for my own reference, either, of this sale. Lacking this number, you have all of the auction sale catalogues ever issued by this firm, including those of Fred Michael & Bro. which was the name of this concern during the time catalogues Nos. 1 - 6 inclusive, were issued.

I herewith enclose, gratis, of course, printed price lists of Sales Nos. 10 & 12. Price lists of the other sales, of which you have no record of prices realized, are mislaid somewheres, and as soon as I dig them up, I will forward you copies of the same. Hereafter, to be placed on file in the library of The American Numismatic Society, I will send price lists of all of my coin auction sales.

With kind regards, I am,

Yours very truly,

Edward Michael

Edw. Michael
Fort Prairie Ark.

June 30th, 1916.

Mr. Edward Michael,

5612. Prairie Avenue,

Chicago, Illinois.

Dear Sir:-

We are in receipt of your communication desiring to resign from presumably our Society. As you have addressed the communication to the American Numismatic Association, we trust it is not your intention to withdraw from this organization. At any rate we would like to have you consider this matter, as we consider it to the advantage of every one interested in numismatics to be a member of our Society. As each year goes on it is our endeavor to render more and more service to our members, and with the number of changes that have taken place here during the present year we feel that we are embarked in a new era, and that you, by resigning now, would lose this advantage.

Trusting you will reconsider your resignation, I beg to remain,

Yours very truly,

Curator.
